**Get Radeon™ in your system.**  
AMD Radeon™ HD 6900 series video card

Intel Core i7 processors deliver an incredible breakthrough in 4 and 6-core performance and feature the latest innovations in processor technologies. Intel hyperthreading technology allows the operating system to utilize up to 12 simultaneous computing threads. Add to this 12 Gigabytes of triple channel DDR3 memory coupled with an integrated memory controller provides unprecedented memory throughput. Video excitement is generated by the ATI HD6950 video card. New **Sata 6G support** accelerates the dual processor WD Black edition Hard drive.

These high performance components are supported by the **Asus Sabertooth** Mainboard which adds features such as Gigabit LAN, up to 12 usb 2.0 ports, **2 USB 3.0 ports**, Firewire, eSata, and nVidia SLI and ATI Crossfire support with dual X16 support. On-board High Definition audio delivers ultra-real cinematic in-game surround sound. The sleek black Coolermaster Chassis has the coolest external SATA Bay, sophisticated looks with ample air flow and a high quality 700W power supply ensuring long and reliable operation. This is what makes the iPRO our best and fastest Multimedia Computer.
