

iNSPIRE

Multimedia Series

System is not exactly as shown.

The iNSPIRE Multimedia PC with an Intel® Core i7 Quad Core processor is Intel's highest performance desktop processors. Utilizing 4 hyper-threaded processors, The i7 provides an unequalled multimedia computer experience.

The second generation DirectX 11-capable GPU from AMD has arrived! AMD Radeon HD 6850 Graphics harnesses AMD's second-generation Microsoft DirectX 11-capable architecture with improved tessellation and geometry performance, enhanced image quality, best-in-class energy efficiency, and an unmatched feature set.

The iNSPIRE i7 PC is designed to be an affordable version of Intel's highest performance platform. With the i7 Processor, up to eight computation units are ready to process a multitude of tasks simultaneously meaning that you can do more at once without any noticeable lag in performance.

Twelve Gigabytes of triple channel DDR3 1333MHz memory coupled with an integrated memory controller means amazing memory speed. High Performance Radeon Graphics are capable of playing high definition content, photo editing, or your favorite 3D games. Windows 7 64 bit edition ensures all 12G of memory are used with easy expansion to 24GB.

The ASUS Mainboard provides Gigabit LAN, up to 12 usb ports, Firewire, eSata, High Definition Audio with digital output, and ATI Crossfire and SLI support. Housed in a cool and quiet running CoolerMaster Case with a stylish colour trimmed chassis with clear side panel, 12cm front fan, and powered by a high quality 600W power supply. The iNSPIRE i7 System together with the NEW Radeon HD 6850 GPU enables a truly immersive experience with superb performance and flawless image quality for the most demanding user.

- Processor: Intel® Core i7 Quad Core CPU
- Mainboard: Gigabyte X58
- Memory: 12GB DDR3 1333MHz Tri-Chl (24G Max)
- Hard Disk: 1TB 32M 7200rpm SATA 3G
- Optical Drive : 22X DVDRW SATA
- Video: Radeon HD6850 1GB PCI-E Graphics
- Sound Card: 7.1 High Definition Audio
- Keyboard: USB Keyboard
- Mouse: USB Optical Mouse
- Speakers: (Optional)
- Network: 10/100/1000 Network Interface (on board)
- Enclosure: CoolerMaster RC311 Chassis
- Pwr Supply: 600W PCI-E Power
- Operating Sys: Windows 7 Home Premium 64 (16GB Max)

iNSPIRE 6850 System Price:

Core i7 960 \$ 1149
4 Cores, 8 Threads, 3.2GHz, 8M
