Buy a Windows Vista®-based PC NOW. Upgrade to Windows® 7 at no extra cost. Windows 7

WORK HARD, PLAY HARD... The latest high performance hardware to easily connect to your digital media and empower your creative impulses. Experience new levels of convenience and effortless 3D graphics, entertainment and gaming.

Packed with Features! The Intel® P45 Express Chipset is the latest chipset designed to support the next generation 45nm CPU; and 8GB of dual-channel DDR2 800 MHz memory architecture. It also supports 1600/1333/1066/800 FSB (Front Side Bus), PCI Express x16 graphics and multi-core CPUs. The high speed 800MHz DDR2 memory provides great performance for 3D graphics and other memory demanding applications.

Features such as **8-channel High Definition Audio** and Multi-monitor DVI support allow seamless integration into home entertainment systems, while integrated RAID and SATA 3G support provides unsurpassed desktop hard drive performance and reliability. **Firewire, and USB 2.0**, connectors and an integrated Memory Card-reader make the **Odyssey Ultimate** ideal for all your digital music, video and photographic needs.

Experience the ultimate Graphics Platform with the **ATI Radeon HD4890** GPU. HDCP Compliance allows playback of HD DVD, Blu-Ray Disc and other protected content at full HD resolutions. The Radeon HD4890 is built for Microsoft® Windows Vista™ with full support for Microsoft DirectX10.1 and Shader Model 4.0 enabling stunning and complex special effects.

Pre-engineered System Specifications:

- Processor: **Intel® Core 2 Quad Core**
- Mainboard: **ASUS P5Q Intel P45 Chipset Motherboard**
- Memory: **8GB 800MHz DDR2 DUAL CHANNEL**
- Removable Drv: **Memory Card Reader**
- Hard Disk: **1TB 7200rpm 3G/s SATA Drive**
- Optical Drive: **22x Dual Format DL SATA DVDRW**
- Video Graphics: **ATI Radeon HD4890 1GB PCI-E**
- Sound Card: **8 Channel High Definition Sound w/Optical and Digital Out**
- Keyboard: **Microsoft BLACK Multimedia Keyboard**
- Mouse:& Pad: **Microsoft Optical Mouse w/deluxe pad**
- Network: **10/100/1000 Gigabit LAN, and up to 8 USB 2.0 , 2 Firewire,**
- Enclosure: **CoolerMaster RC-690 Case - Silencer 610w PSU**
- Operating Sys: **Microsoft Windows Vista Premium 64bit**
- Bonus: **Elite Suite 2009**
- Warranty: **1 Yr Parts & Labor System Warranty**
